

Power delivery
Ultra-fast charging and data sync

Anti-knot braided cable
Tangle-free roll up and easy storage

Ultra durability
Strong cable made with top-grade materials

PowerGo 750

USB-C® PD 3.1 240W cable

Fast charge!

Unleash lightning-fast charging with our premium USB-C® PD 3.1 cable. Delivering an incredible 240W of power, this extended-length cable combines maximum performance with ultimate flexibility. Perfect for laptops, smartphones, tablets and power-hungry devices, it ensures you stay powered up without being tethered to the wall.

Highlights

- 10 ft/6 ft USB-C® 240W PD 3.1 (48/5A) cable for ultra-fast charging speeds and data transfers at 480Mbps.
- Connect it to your laptop¹, smartphone, tablet or even to a USB-C® hub or docking station to charge multiple devices at once.
- Built to last. Joints coated with high resistance material and metal heads to prevent the cable from breaking easily.
- Ultra-lightweight.
- Adjustable silicon strap to keep the cable tightly coiled and well organized.

Technical specifications
