WaveRider

Waterproof Portable Speaker
Compatible with Bluetooth®

The sound to own the moment

You bring the vibe, the WaveRider brings the BOOM! With 40W of pure, thunderous sound, this portable beast keeps the party alive anywhere, anytime. Whether you're chilling at the beach, jamming in the park, or hosting a late-night hangout, you'll get massive bass, crisp highs, and nonstop beats for up to 74 hours³ (yes, really!).

Caught in the rain? No stress—this speaker laughs in the face of water with its IPX7 waterproof rating.¹ Sync up via Bluetooth® 5.3 and stream seamlessly² from up to 49 ft, or go old-school with USB, AUX, or a 128 GB TF card slot.

And because the party doesn't stop at sound, we're throwing in multicolor LED lights with 5 dynamic effects. Want to take a call mid-playlist? The built-in mic has your back.

So, what are you waiting for? Hit play, let the beats roll and rock on!

Highlights

- 40W of raw power – Whether you're hosting a backyard bash or just vibing solo, fill any space with room-shaking bass and crystal-clear sound.
- Long-lasting battery – No more mid-party panic! With up to 74 hours³ of nonstop music, you can go from sunrise to sundown—and then some—on a single charge.
- IPX7 Waterproof – Beach day? Poolside jam? Sudden downpour? No worries! This speaker handles water like a champ, so the music never stops.¹
- Hands-free calls – Your playlist pauses, your call comes through, and with the built-in omnidirectional mic, you answer effortlessly—no need to fumble with your phone.
- Play your way – Plug in via USB, AUX, or pop in a TF card (up to 128 GB) and keep the music going.
- Wireless freedom – Walk around, dance, or just relax—thanks to Bluetooth® 5.3 with a 49 ft range², your tunes follow you everywhere.
- Party-ready LED lights – Set the mood with 5 dynamic multicolor lighting effects—because your music should look as good as it sounds.
- TWS function to pair your speaker with another one for immersive, true stereo sound that fills the room.⁴
