The power that fuels the soul of your parties

Turn up your favorite tracks now with power and color. Set the vibe and elevate your audio experience with 60W of pure boom from the WaveRider PRO. Engineered to deliver thunderous bass and crystal-clear highs, this party cannon makes every note resonate in your chest.

Perfect for sparking weekend hangouts at home, on the beach, in the park, or by the pool. No matter the setting, the vibrant side LED lights groove to your beat, and its IPX5¹ splash-resistant rating keeps the show going—rain or shine. Connect instantly via Bluetooth®, plug in your nostalgic playlists through AUX, or hook up your mic⁴ and become the life of the karaoke.

Press play and let the rhythm carry you away!

Highlights

- **60W power** – Picnic in the park? A day at home? Either way, enjoy powerful, clear, and immersive sound.
- **Wireless freedom** – Bluetooth® range of up to 32.8 ft lets you move, dance, or relax without interruptions.²
- **Long battery life** – Enjoy your favorite playlists for up to 7 hours with lights off; 4 hours with lights at 50 % volume.³
- **IPX5 water resistance** – Take it anywhere without fear of splashes; the music never stops, whether you're at the beach, by the pool, or caught in a sudden rain shower.¹
- **High-fidelity audio** – Feel the rhythm of your favorite tracks with two powerful subwoofers and a high-grade acoustic tweeter for deep bass and crystal-clear highs.
- **Your music, your rules** – Stream your favorite playlists via Bluetooth or plug in your devices with the 3.5 mm AUX input.
- **Dynamic LED lights** – Side rings with 6 lighting modes to sync the illumination to your music's beat.
- **Sing your heart out** – With the mic input, turn any moment into a karaoke session.⁴
- **Sleek portable design** – Integrated handle for easy transport.
