Designed to provide all-day comfort and support, Klip Xtreme's Evolve keyboard is made for hard and efficient work. The split key design helps to keep your wrists in a natural position, while the cushioned hand rest provides additional support. The keyboard also features a variety of programmable buttons and hotkeys to provide the most complete typing experience.

Highlights

- Ergonomic contour design with split key layout minimizes forearm muscle strain.
- Integrated hand rest encourages a natural hand and wrist position for maximum comfort.
- Low-profile chiclet type keycaps for a comfortable and quiet typing experience.
- Multimedia keys swiftly access your e-mail, music player and other functions.
