Sleek. Efficient. Built for your rhythm

Designed for professionals who value mobility, style, and hassle-free productivity, the Linkey Duo redefines what a premium wireless keyboard and mouse should be.

Its ultra-slim, minimalist design blends seamlessly into any modern workspace, while chiclet-style keys and a 6-button mouse with adjustable DPI deliver precision and comfort with every click. With Bluetooth® v5.1 and triple-profile pairing, you can connect up to three devices and switch between them at the press of a button—jumping from your laptop to your tablet without missing a beat. And with long-lasting rechargeable batteries, you're powered for a full day on a single charge.

Highlights

- **Advanced wireless connectivity**
Compatible with Bluetooth® v5.1 on both keyboard and mouse for a stable, uninterrupted performance up to 32.8 ft away.
- **Long-lasting rechargeable batteries**
Up to 24 hours of continuous use with the keyboard and up to 11 hours with the mouse. Includes USB-A to USB-C* cable for efficient recharging.
- **Ultra-slim, stylish design**
Low-profile keyboard with chiclet-style keys for a smooth, fast, and comfortable typing experience with a sleek, modern look.
- **Multi-device pairing with quick switching**
Connect up to three different devices and switch between them instantly with the press of a button—no need to reconnect or re-pair.*
- **Silent, responsive keyboard with shortcuts**
Enjoy smooth, quiet typing with 12 multimedia and hotkeys for quick access to email, music, volume, and more.
- **Latin American Spanish layout**
Specially designed for Spanish-speaking users in Latin America, with intuitive placement of characters and accent marks.
- **6-button optical mouse with adjustable DPI**
Switch DPI sensitivity up to 1600 for more precise control on various surfaces.
- **Power-saving mode**
On/off switches on both the keyboard and mouse help maximize battery life.

Specifications

Keyboard	
Type	Bluetooth® wireless keyboard

Keyboard weight	0.9 lb
Mouse dimensions	4.4 x 2.4 x 1.4 in
Mouse weight	0.14 lb
Package contents	Keyboard, mouse, USB charging cables (x2), quick installation guide
Warranty	1 year

* Each profile can be linked to only one device at a time. If you want to pair a new device to one of the keys, the previous connection will be overwritten. Make sure the previously linked device is not actively connected to the keyboard/mouse during the new pairing process. The new device must be powered on, within wireless range (approx. 32.8 ft), and have Bluetooth® enabled.
