

CurveLink

Trimode Wireless Curved Keyboard

Compatible with Bluetooth® and 2.4GHz, with USB-C® cable and rechargeable battery

Type, play, and create at your own pace — in style.

You never stop, and neither does your keyboard. With CurveLink, you get the freedom to connect multiple devices at once and switch between them instantly — no fuss, no tangled cables. Change modes in seconds and enjoy the comfort of a sleek, curved design that adapts to you. Its low-profile keys are fast, quiet, and perfect for long study sessions, gaming marathons, or creative work. And when the fun goes on, its battery keeps up — lasting so long, you'll almost forget it needs charging. Because your world deserves a keyboard as versatile, practical, and cool as you are.

Highlights

• Trimode Connectivity

Easily switch between Bluetooth® wireless, 2.4GHz with USB receiver, and wired USB-C® connections for maximum versatility and a seamless, uninterrupted experience.

• Multi-Device Pairing

Connect up to five devices simultaneously: one via USB receiver, up to three through Bluetooth® multipoint, and one by cable. Instantly switch between them without re-pairing or reconnecting.

• Long-Lasting Rechargeable Battery

Power through a full week of intense work or study on a single charge.* Includes a USB-A to USB-C® cable for fast and efficient recharging.

• Latin American Spanish Layout

Designed with you in mind, featuring all the characters, accents, and symbols placed intuitively for a natural typing experience.

• Ergonomic Curved Design with Low-Profile Keys

Enjoy precise, smooth, and quiet typing with a more natural, comfortable posture that helps reduce fatigue in your hands, wrists, and shoulders during long sessions.

• Express Commands

Access smart functions and multimedia controls (music, video, volume, display, language, connectivity modes, OS switching, and more) instantly using convenient shortcuts with the Fn key.

• Multifunction Switch

Easily toggle between wireless and wired modes—or power off the keyboard—to extend battery life, all with a simple switch.
