

CrystalCom Pro

Monoaural wireless headset Bluetooth® compatible with magnetic charging base

Magnetic charging base

Superb communications, superb outcomes

Your workday starts with a long to-do list and a series of calls, in order to get everything done you need the CrystalCom Pro headset to multitask while you join calls throughout the day. Enjoy outstanding audio and sound like a pro with the HD microphone, which includes noise-reduction technology, for up to 40 hours of talk time on the leading unified communications platforms (UC). Just place it on the magnetic base for charging, and it will be ready for the next round of calls resulting in inexhaustible battery life. The CrystalCom Pro is light to wear all day with its adjustable headband and leatherette ear cup cushion that provides comfort around your head and doesn't pressure your ear. Roam around the office or your home without losing the signal with Bluetooth® v5.0 for longer distances. Work anywhere with dual connectivity by pairing the headset to your computer and your smartphone for maximum flexibility so you can manage calls on the go and use your voice assistant. Become more productive with the convenience, crisp sound, and elegant design of this mono headset.

Highlights

- Wireless monoaural headset Bluetooth® compatible so you can join calls and hear your surroundings
- Outstanding audio quality that enables clear communications on both ends of the call
- Magnetic charging base provides a practical way to hold the headset while charging it
- Complete more tasks with up to 40 hours of talk time¹
- Flexible wireless connection compatible con Bluetooth® v5.0 to pair simultaneously with two devices
- The cardioid HD microphone with noise reduction diminishes distracting background noise in busy or crowded work environments
- Control your workspace with long wireless range to be more productive without feeling tied to your desk
- Padded ear cushion delivers passive noise canceling to reduce noises close to you
- Compatible with Teams, Zoom, and other leading unified communications (UC) platforms²
- Compatible with Google Assistant and Siri voice assistant, it supports the voice recognition feature for true hands-free control and access to your linked device at the touch of a button³
- On-ear controls to easily manage your calls and mute button when you don't want to be heard
- The microphone arm rotates 270 degrees to find the perfect angle that works for you
- Adjustable headband and padded leatherette ear cup provide a comfortable sensation all day
- Modern style for a modern working environment

Technical specifications

Headphone	
Type	Monoaural Bluetooth® compatible headset
Chipset	CSR8615
Form factor	On-ear
Driver unit	Φ28mm
Maximum power output	20mW
Frequency	20Hz~20kHz
Impedance	32±5Ω
Sensitivity	108dB±4dB (at 1kHz)
Driver unit type	Moving coil type neodymium iron shed magnetic horn
Microphone	
Directionality	Cardioid (noise reduction)
Directivity	Omnidirectional
Frequency	100Hz-20kHz
Impedance	200KΩ
Sensitivity	34±4dB (at 1kHz)
Volume control	Yes
Boom rotation	Flexible - ± 270 degrees
Connectivity	
Connection type	Headset: Bluetooth® v5.0-compatible wireless +EDR / Charging Base: USB-C®
Wireless RF frequency	2.402-2.480GHz
Wireless range	Up to 33ft ⁴
Battery	
Battery type	200mAh lithium polymer
Charging time	Up to 2 hours
Run time	Up to 40 hours (50% volume) ¹
Standby time	110 hours
Charging type	Magnetic charging base / USB-C® to charging base
Additional information	
Voice assistant supported	Yes, Siri and Google with smartphones ³
Multiconnection	Yes, with any Bluetooth® v5.0 compatible device
Compatibility	- Windows XP, Vista, 2000 - Windows 7, Windows 8, Windows 10, WINDOWS 11 - All versions of macOS - Android™ and iOS v10 and up
Buttons	- Volume +/next song, voice assistance - Power on/off, audio switch/BT commands/play/pause/answer-hang up call/redial call/reject call/ - Volume -/previous song
Dimensions (HxWxD)	Headset: 7.5x5.4x2.4in Charging base: 2.9x2.7x3.1in
Weight	Headset: About 2.7oz Charging base: About 4.7oz
Cable length	1.9ft
Operating temperature	77°F
Operating humidity	Relative humidity 70%
Package content	Headset, charging base, quick instruction guide, spare earmuff, USB-C® charging cable

¹ Depending on the volume level and type of usage (calls/music).

² Some limitations in platforms' functions may apply depending on the UC platform to be used.

³ Voice assistant only supported on smartphones.

⁴ Range estimate is based on an area free and clear of obstacles and interference, and within the line of sight between devices.
