compatible

Highlights

- 2 in 1 mono/stereo convertible communications headset.
- Detachable right earcup and mono adapter extension. Easily alternate between single-ear and stereo modes.
- Compatible with Bluetooth® v5.1 to wirelessly stream audio up to 33 ft away.⁴
- Complete more tasks with up to 60 hours of talk time.¹
- Compatible with Teams, and other leading United Communications (UC) platforms.²
- Cross-platform compatibility: Works with Windows, macOS, and most Bluetooth®-enabled Android™ and iOS devices.
- Adjustable and well-padded headband that reduces pressure over the head for a comfortable sensation all day.
- Compatible with Siri and Google Assistant.³
- Outstanding audio quality for clear communications on both ends of the call.
- Onboard command controls to manage all your calls and mute the mic when necessary.
- HD microphone with 270-degree rotating arm to position it in the perfect angle.

1. Depending on the volume level and type of usage (calls/music).

2. Some limitations in certain functions may apply depending on the UC platform to be used.

3. Voice assistant only supported on smartphones.

4. Range estimate is based on an area free and clear of obstacles and interference, and within the line of sight between devices.

Here's the thing: we know that a workaholic and multitasker like you needs high-quality, hands-free communication to stay focused and productive. You don't want to be tethered to your desk or scrambling for your phone every time a call comes in. Sometimes, you just want to lighten things up and take a break from the noise around you. With our DuoVox you get two headsets in one, plus the flexibility you need for long calls, team meetings, or focused work. Detach the right earcup and attach the mono extension for freedom and comfort, and easily reattach it when it's time to immerse yourself in stereo quality and hear every detail.

Forget about battery anxiety—with 60 hours of talk time you can power through up to three days of marathon work sessions. Control your calls with onboard commands and stay connected to both your PC and smartphone, making task-switching seamless with Bluetooth® compatibility. The padded, adjustable headband relieves pressure, while the rotating boom mic positions perfectly for crisp communication. So, stretch your legs, grab that coffee, and get ready for the long haul.

DuoVox

2-in-1 convertible mono/stereo
communication headset compatible
with Bluetooth®

Technical specifications

Headphone	
Product type	2 in 1 Mono/stereo convertible communications headset compatible with Bluetooth®
Chipset	QCC3024
Form factor	On-ear
Driver unit	28mm
Maximum power output	20mW
Frequency	20-20kHz
Impedance	32Ω
Sensitivity	114dB±3dB (1kHz)
Color	Black
Microphone	
Form factor	Fixed microphone with 270° boom rotation
Directivity	Omnidirectional
Frequency Range	100-10kHz
Impedance	300Ω
Sensitivity	-42±1dB 1kHz
Connectivity	
Connection type	Wireless compatible with Bluetooth® v5.1
Bluetooth protocols	HSP, HFP, A2DP, AVRCP
Wireless RF frequency	2.402-2.480GHz
Wireless range ⁴	Up to 33 ft
Battery	
Battery type	Lithium polymer battery
Battery capacity	400mAh
Battery charging time	About 2 hours
Battery runtime (at 50% volume)	Up to 60 hours (50% volume) ¹
Battery runtime (at 100% volume)	Up to 50 hours (50% volume) ¹
Battery standby time	250 hours
Input power (V & A)	USB-C® - 5V/0.5A
