Dual connection Bluetooth®-compatible and 2.4GHz wireless keyboard with touchpad

This keyboard/touchpad power couple ties the knot for desk domination. Streamlined and slim, it connects with all your gadgets —Windows, macOS, iOS, Android™— via Bluetooth® or through a 2.4GHz connection. And if you value your concentration, this keyboard is quiet as a cat. Your desktop just got a whole lot tidier and your fingers a whole lot happier!

Highlights

- Dual connection for Bluetooth® and 2.4G wireless – great for PC, tablet, TV-connected computers and HTPC.
- Wireless keyboard with touchpad for easy control on TV-connected computers.
- Easily switch between 2 devices (2.4G and Bluetooth®) with a single click.
- Features a spacious, highly responsive touchpad.
- Slim, lightweight design for on-the-go use.
- Compatible with Windows, Android™, macOS and iOS.
- Enjoy quiet, comfortable typing and dedicated hot keys.
- Type from your couch within a 33-foot working distance.
