PowerDesk Solo

Magnetic Wireless Charging Pad

Fast, secure charging in an ultra-compact design

PowerDesk Solo is the magnetic wireless charging pad that marries power and style in a pocket-friendly form factor. Compatible with MagSafe® and Qi®, it delivers up to 15 W of fast charging for your smartphone, AirPods®, or TWS earbuds with a simple tap. Its magnetic alignment ring keeps your device firmly in place—even on the move—while the slim profile and soft-touch finish make it ideal for professionals who demand both function and flair. And with USB-C® Power Delivery input, you can recharge your pad anytime with the same speed and reliability you expect at your desk. PowerDesk Solo: intelligent charging, impeccable design, ready to go wherever you do.

Highlights

- Fast wireless charging pad delivers up to 15W¹ for smartphones, AirPods®, and TWS earphones with wireless charging*
- Compatible with Magsafe® & Qi® magnetic wireless charging devices

Operating temperature	32 – 104°F
Storage temperature	-4 – 176°F
Relative humidity	10% – 70%
Magsafe®	Supported ²
Physical Appearance	
Material	Aluminum alloy + PC + Magnet
Color	Black
Product dimensions	Ø 2.2 x 0.2 in
Product weight	1.5 oz
USB-C® cable length	3.28 ft
Additional Information	
Packaging content	Magnetic wireless charging pad, magnetic ring, QIG
Warranty	1 year

1. The maximum wireless charging power for iPhone® is 7.5W.

2. This feature only works with smartphones that support magnetic wireless charging. Non-magnetic phones can also be charged, but only when placed flat on the pad.

*Charges AirPods® and TWS earphones when placed inside a compatible wireless charging case.

Important: For optimal performance, use a 20W/3A adapter with built-in protection technology that meets standard safety requirements. Adapter not included.
