Slot to place a smartphone

Fire up any party with this portable speaker featuring multicolor flame LED lights. The **BoomFire X** system is equipped with a balanced 8-inch subwoofer and one 1.5-inch high frequency driver, capable of delivering 1,500 watts of power. It comes with a wired microphone and a built-in battery that provides up to 7 hours of continuous music and fun with the lights on, and a maximum of 13 hours with the lights off. It pairs with virtually any Bluetooth®-enabled device to stream music wirelessly up to 33 feet away from smartphones, tablets, laptops or any other compatible audio source[1]. The molded cabinet housing is strong and includes two microphone inputs[3], a 360° volume knob, and an integrated handle for easy transport. By combining a convenient LED display and lively lighting with a bold, powerful sound, this party speaker will surely make every occasion a memorable one!

Highlights

- 1,500 watts of maximum power
- An 8-inch subwoofer and a 1.5-inch tweeter deliver powerful audio with deep bass
- Dynamic flame LED lights create brilliant and captivating music experiences every time
- Portable with rechargeable built-in battery offers up to 7 hours of music playback with the lights on and up to 13 hours with the lights off[2]
- Includes a premium wired microphone for daring solos or duet performances thanks to its two inputs on the console[3]
- TWS (True Wireless Stereo) capability designed to connect and stream audio through two identical units simultaneously[4]
- Works with your favorite Bluetooth® V5.0-enabled devices
- Comes with bass and treble control knobs to adjust sound manually
- Aux 3.5mm input and integrated USB and microSD™ memory slots for added versatility
- Slot for placing a smartphone
- Easy to read LED display
- Built-in FM
