Turn it up. Light it up. Own the night.

Why wait for the weekend? With **PulseBlaster,** every hangout is one song away from turning legendary. Fill the space with bold sound, deep bass, and vibrant LED lighting that moves with the mood—from chill sessions to full party mode. Grab the included wireless karaoke mic when it's your moment to shine, or pair a second speaker for bigger stereo energy. With up to 10 hours of battery life, splash resistance, and a tripod included for elevated sound projection, PulseBlaster is ready wherever the fun takes you. Just press play—and let the night do its thing.

Highlights

- **Big sound. Bigger vibe.**
  A powerful 6.5-in woofer, dual tweeters, passive bass radiators, and Bass Boost deliver punchy lows and crisp highs that keep every playlist sounding full and alive.
- **Lights that match your mood**
  Choose from 8 dynamic multicolor LED effects—from low-key glow to full party energy—or switch them off for Concert mode and longer battery life.
- **Play longer, party louder**
  The rechargeable battery keeps the vibe going with up to 10 hours of playtime, so your soundtrack lasts as long as the night.[2]
- **Plug in or stream**
  Play your way via Bluetooth® 5.4, USB, AUX, or microSD™—whatever keeps your favorite tracks coming.
- **Double the sound**
  Pair two PulseBlaster speakers wirelessly with True Wireless Stereo for a wider, fuller stereo experience that takes the party up a level.[3]
- **Take the mic**
  The included premium wireless karaoke microphone lets you sing, host, or hype the crowd—with built-in controls for volume, echo, bass, treble, and voice effects.
- **Raise your sound**
  Set PulseBlaster on the included tripod for elevated placement and wider sound projection.

Specifications
