Portable with up to 18Hr playback time²

MagBlaster Pro

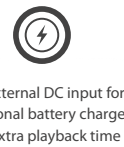

Double 12" loudspeaker system
Bluetooth® compatible

Enjoy lively parties with the excellent 3000 watts streamed by the MagBlaster Pro from Klip Xtreme and share unforgettable moments with friends and family. With not one but TWO powerful 12-inch subwoofers and a 1.5-inch treble, you will dance, sing, or listen to your music like never before. Portable, enjoy music for up to 18 hours² thanks to an extra durable lithium battery without connecting the loudspeaker to a wall outlet. Listen to your playlist from your Bluetooth® v5.0 compatible smartphone, or if you want from a USB or microSD™ memory card, and you can also connect through a 3.5mm auxiliary cable. Manage your entertainment from the command console at the top of the speaker, the remote control, and the LED display. Easily transport the MagBlaster Pro with the handle and high-impact wheels that last forever. Use it in rehearsals and leverage both inputs for wired microphone and guitar. In addition, fill your karaoke nights with joy thanks to its LED multicolor lights and the included wireless microphone. It is also ideal when organizing a family gathering and a relative has another MagBlaster Pro, since you can pair both loudspeakers using TWS to extend the audio range and spend a fun day with impressive sound. Celebrate wherever you want with the power, portability, and sound quality delivered by the MagBlaster Pro.

Highlights

- 3000-watt PMPO of distortion free, and powerful stage quality sound
- Two powerful 12in subwoofers deliver incredible sound
- Built-in 4.5A rechargeable battery which makes the speaker autonomous for up to 18 hours²
- Convenient 12V external DC input for additional battery charge and extra playback time
- Works with your favorite Bluetooth® v5.0-enabled devices¹
- TWS (True Wireless Stereo) capability, designed to connect and stream audio through two identical units simultaneously
- LED illumination with on/off capability
- Equalizer enables to select different sound effects (normal, rock, pop, jazz, and classical)
- Includes a high-quality wireless microphone and a remote control
- Includes two microphone and guitar wired inputs for additional entertainment³
- Integrated audio playback with USB and microSD™ memory card slots
- Built-in heavy-duty handle and wheels for easy transport
- Slot for placing tablets or smartphones
- LED display and convenient remote control
- Built-in radio tuner to listen to your favorite stations
- One-year warranty

Powerful music for an outstanding experience

Technical specifications

Device	
Type	Portable Party Speaker
Peak Maximum Power Output (PMPO)	3000W
Power output (Rated RMS)	200W
Maximum AC input (current/voltage)	110-240V / 0.8A
Maximum DC input (current/voltage)	13.5V 4A
Command console details	DC 12V input, LED lights, mode, previous, play/pause/TWS, next, mic priority, record, power, GT volume, GT input, mic input, mic volume, mic echo, treble, bass, aux, volume, microSD™ card/USB, AC charging
Speaker	
Driver unit	Two 12in subwoofers + 1.5in treble
Reference RMS power	140W + 60W
Frequency	Subwoofer: 40Hz-4000Hz Speakers: 75Hz-20kHz
Impedance	12in: 4Ω 1in: 8Ω
Sensitivity	110dB
Signal to noise ratio	65dB
Total Harmonic Distortion (THD)	1kHz, 0dB (±10%)
Microphone	
Connectivity	Wireless (included) and wired compatible
Directivity	Single
Frequency	208.8MHz
Impedance	600Ω±15%
Sensitivity	-77dB
Connectivity	
Connection type	Compatible with Bluetooth® v5.0
TWS function	Yes, compatible
Memory card slot	MicroSD™ card (32GB Max.)
USB slot	Yes
Wireless RF frequency	2.4GHz
Wireless range	Up to 33ft ¹
Audio input	AUX 3.5mm stereo
Additional inputs	Two 1/4in (6.5mm) mic/guitar inputs
Battery	
Type	11.1V 4500mAh lithium battery
Charging time	7 hours
Run time	Up to 18 hours (at 50% volume and with lights off) ²
Standby time	Remote standby about 90 hours
Battery charging method	Built-in AC input power board to charge battery
Additional charging method	12V DC input connector
Additional information	
Dimensions (LxWxH)	14x14x36.6in
Weight	21 lb.
Cable length	Charging cable 5ft
Package contents	Loudspeaker, power cable, AUX cable, remote control with batteries, wireless MIC with batteries, user manual
Highlighted features	
True Wireless Stereo	Yes, connect two speakers at the same time
