

Furtive

Bluetooth® compatible optical mouse

Practical and comfortable mouse

This Bluetooth®v5.0-compatible wireless mouse delivers an extensive wireless range to move freely around any space. The Furtive is convenient enough to carry in a bag or even take in your pocket. Its ergonomic shape guides your hand into a comfortable position for your fingers to naturally rest on the mouse and easily move it. Gain cursor control and speed on most surfaces with maximum accuracy to use at the office, at home, or when traveling. Enjoy lag-free connection and quiet buttons that deliver a silent experience. Keep using the Furtive mouse without worrying about constantly replacing batteries thanks to the included on/off switch.

*Must be used with a computer with Bluetooth® compatible connection or with a Bluetooth® adapter (not included).

**Compatible with Windows 8/10, macOS v10.13 and above, and Android™ 5.0 and above
