Ambidextrous
design

Wireless convenience in an elegant and portable design

The Arrow BT slim mouse delivers a smooth tracking experience with true wireless freedom thanks to Bluetooth® v5.1 compatible connection. Ideal for business trips, libraries, and coffee shops, fit for wherever you want to work or study. This ergonomic and mobile mouse fits comfortably in your hand, featuring a redefined ambidextrous design. Forget the hassle of replacing batteries with up to 12 months of battery life¹ thanks to the low energy consumption and a convenient on/off switch. Its sculpted design makes it a splendid accessory to complement any laptop or desktop.

¹ Depending on type of usage and computer conditions.
