

PowerWall Uni 30

All-in-One 30W GaN Universal Travel Adapter

Global Compatibility
8-hole universal socket
supports multiple plug types
for use in 150+ countries.

3 Fast Charging USB ports
Dual USB-C® PD 30W
+ 1 USB-A QC 3.0 18W

GaN technology
Faster charging and
greater efficiency

Compact Versatility
Retractable prongs adapt
to outlets worldwide for
worry-free travel.

30W
max. power¹
Fast Charging

One adapter. The whole world. Power on demand.

Travel with confidence using the PowerWall Uni 30 by Klip Xtreme—an all-in-one universal adapter that keeps you connected across countries while charging your devices quickly and safely. Its 8-hole universal AC outlet with retractable plugs adapts to multiple socket types, while two USB-C® PD ports delivering up to 30W and one USB-A QC 3.0 port up to 18W let you power up to four devices at the same time—smartphones, tablets, earbuds, cameras, and more. Powered by GaN technology, it delivers faster charging, higher efficiency, and better heat dissipation in a compact, travel-friendly design. For peace of mind, it supports 100–240V dual voltage and includes a 10A internal fuse, safety shutters, power LED indicator, and multi-protection system against overcurrent, overvoltage, short circuits, and power surges.

Pack one adapter and stay powered wherever your journey takes you.

Highlights

- **Global compatibility** An 8-hole universal socket and retractable prongs support multiple plug types for compatibility across numerous countries.
- **Fast charging technology** Dual USB-C® PD 30W ports and one USB-A QC 3.0 18W port.
- **Travel-ready power for the whole family** Ideal for charging smartphones, tablets, earbuds, cameras, gaming consoles, and more. Power up to 4 devices simultaneously.
- **GaN Semiconductor Technology** Faster charging, higher efficiency, best heat dissipation
- **Smart safety system** Dual-voltage support (100–240V) with internal 10A fuse, safety shutters, LED power indicator and multi-protection system against over-current, over-voltage, short-circuit, and surges.
- **Compact and portable** Lightweight design makes it easy to pack and carry.

Technical Specifications

General Information	
MPN	KMC-350
Product type	Universal travel adapter
Input	
Input	100–240V AC, 50/60Hz, 1.2A max.
Rated power	1000W at 100V / 2500W at 250V
Output	
USB output	Up to 35W total ¹
USB-C1 / USB-C2 (PD 3.0)	5V/3A, 9V/3A, 12V/2.5A, 15V/2A, 20V/1.5A (30W max. each)
PPS	5–11V/3A
USB-A (QC 3.0)	5V/3A, 9V/2A, 12V/1.5A (18W max.)
Multiple ports in use (USB-C1 + C2 / C1 + A / C2 + A / C1 + C2 + A)	5V/3A shared
Physical Appearance	
Housing material	Flame-retardant PC (UL94 V-0 rated)
Color	Black
LED Indicator	Yes (white)
Plug types supported	• Type I – Australia, New Zealand, China • Type A – USA, Canada, Japan, Taiwan • Type G – United Kingdom, Hong Kong, Malaysia, Singapore • Type C/E/F – Germany, France, Netherlands, Belgium
Additional information	
Operating temperature	23°F to 77°F
Storage temperature	–4°F to 158°F
Relative humidity (non-condensing)	35–85% RH (non-condensing)
Product dimensions	2.56 × 2.17 × 1.77 in
Product weight	4.6 oz
In the box	Universal travel adapter
Warranty	1 year

1. 30W is the maximum rated output when charging through a single USB-C® port. When more ports are in use, power is automatically redistributed. Actual per-port output may vary depending on each connected device's power demand and charging technology.

Note: NOT A VOLTAGE CONVERTER. Make sure your device supports dual voltage (100–240V) or is compatible with the local voltage standard. For single-voltage appliances, a separate voltage converter may be required.
