Expandable tilt-and-swivel car headrest mount

Smartphones
and tablets
up to 14 in

Entertainment on wheels!

Keep your passengers entertained with this expandable tilt-and-swivel car headrest mount, perfect for smartphones and tablets up to 14 inches. With a telescopic, extensible arm, it offers 180° swivel on each joint, 360° rotation, and 210° tilt, so everyone gets the best view. The non-slip pad keeps devices secure, making it ideal for road trips or daily commutes. Easy to install and adjust, it's a must-have for family car rides!

Highlights

- Never get bored on those long trips! Watch movies, play mobile games, read e-books or videochat while traveling even on the bumpiest roads.
- Telescopic non-slip pad. Fits mobile devices up to 14 in¹.
- Tightening screws for added stability to prevent damage from bumping and shaking.
- Foldup, extensible arm 180° swivel on each joint.
- Easy tool-free installation on front seat headrest poles.
- Pad with built-in ball-head design for biaxial adjustment: 360° rotation/210° tilt. Adjusts to portrait or landscape view.
- Holes on the clamping jaws to easily charge the device without having to remove it from the holder.

Technical specifications
