Convenience and beautiful design for women on the move

This laptop backpack is another alternative from Klip Xtreme for dynamic women. It is made with highly durable protective nylon, black leatherette accents and handle, and polyester lining for a stylish look. You can accommodate a 15.6in laptop with ease. Enjoy the inside pocket to carry other accessories such as chargers, keys, and mobile phones. The outside pocket adds functionality by enabling to carry daily use items that require easy and fast access. The backpack features a beautiful and comfortable design with adjustable shoulder straps for carrying it or holding it by its reinforced handle. It is ideal for traveling light around the city or for vacations.

Highlights

- **Protection:** Comfortable and beautiful design for dynamic women. The backpack features a padded backstrap and a main compartment suitable for laptops up to 15.6in
- **Organization:** Spacious main compartment featuring a multipurpose pocket to keep your small articles well organized as well as an outside pocket to easily access daily use items
- **Convenience and comfort:** Adjustable shoulder straps add comfort with its padded design which prevents slipping the bag when it is fully loaded
- **Material:** Premium, highly durable protective nylon, black leatherette accents and handle, and polyester lining
