KNB-650BK

## The backpack that pairs perfectly with your urban spirit.

Need a trusty sidekick for your urban adventures? Meet the rugged yet slim and versatile XpandPack -your new partner in crime who's always "got your back". This expandable backpack adapts to your on-the-go needs and keeps you comfortable in any conditions. It fits a laptop up to 15.6", all your smaller tech goodies, important documents and more. If you need extra space, the main compartment can expand by two thirds its size! Water-resistant and well-padded, it's always ready to strap on and take a beating so your gadgets don't have to. Consider it your personal bodyguard against surprise downpours and other unexpected events. With its anti-theft protection and hard-wearing fabrics, you can roam the concrete jungle in style and without worry.

## Hiighlights

- Organization: Spacious and adaptable, with a main compartment suitable for laptops up to 15.6 inches, which can expand up to 60%. It includes an interior mesh pocket with zipper, two front pockets that keep your accessories and stationery perfectly organized, and an additional anti-theft zippered rear pocket to make sure your valuables are always safe and at hand.
- Protection: Exterior made of durable, high-quality water-resistant polyester.
- Convenience: Lightweight, slim design, perfect for easily carrying your devices on your back.
- Comfort: Ultra-padded backrest and strong adjustable shoulder straps to further secure your load and make it feel lighter, and an additional carry-on strap for added portability during long trips and daily commutes.
