One bag. Every trip

Designed to replace the stress of traditional luggage, this carry-on backpack is made for travelers who move smart and pack with intention. Its spacious interior opens wide for effortless access, letting you organize clothing, tech and essentials in a way that feels natural and intuitive—whether it's a short escape or days on the move.

Built to adapt, it shifts easily between backpack, hand-carry and luggage companion. Supportive padded straps keep long walks comfortable, while internal hold-down straps and dedicated spaces keep everything in place. Wherever you're headed, this is the bag that travels with you—not behind you.

Highlights

- **Spacious travel-ready design:** Built to carry everything you need for longer trips, without sacrificing comfort or control.
- **Fits laptops up to 17.3":** Dedicated space keeps larger laptops protected and secure while you move.
- **Weather-ready protection:** Water-repellent materials and waterproof zippers help shield your belongings from the elements.
- **Premium materials, refined finish:** High-quality textures and carefully crafted details elevate durability and everyday use.
- **Smart, expanded organization:** Two main compartments designed for travel. One with space for clothing, laptop and multiple pockets; the other with zippered pockets, organizers and pen holders.
- **Front access, well resolved:** Five front pockets combine different closures for quick access and secure storage on the go.
- **Carry it with ease:** Side handle allows horizontal hand-carry, giving it the feel of a compact carry-on.
- **Travel-ready convenience:** Rear pass-through strap lets you attach it to your luggage, plus an extra side strap for easier transport.
- **All-day comfort:** Ultra-padded shoulder straps and back panel reduce strain during long walks and busy travel days.
