Product overview

Perhaps you think you already heard everything about great audio...well, think again.

The introduction of the cutting-edge **Hi-Fi** headphones from Klip Xtreme sets a new frontier in quality audio engineering. Boasting world-class noise-cancellation technology, these headphones let you indulge yourself in the best listening experience by effectively isolating ambient noise the moment you switch the ANC on. A long-lasting large capacity battery provides extended playback times of 44 hours, and up to 63 hours with ANC off, noise free. Switch to Transparency mode to remain attentive to your surroundings or talk to people nearby, without even touching or taking off the headphones. Armed with the latest Bluetooth® v5.1-compatible technology, music is streamed seamlessly through a reliable connection up to 33 feet away from the audio source. What's more, the built-in HD microphone allows taking clear calls even in windy or loud environments. Its adjustable headband and ultra-soft cushioned earcups gently surround your ears, thus providing maximum comfort during extended periods of time. And to keep up with your mobile lifestyle, our signature Klip Xtreme app not only lets you manage your music, but also gives you easy access to everything these headphones have to offer!

Highlights

- **Hybrid Active-Noise-Cancelling ANC⁽³⁾**
Four microphones (two on each earcup) integrate feedforward and feedback ANC technologies simultaneously for a unique listening experience
- **Multi-mode Noise Cancellation with touchless Transparency activation**
Switch between Low and High levels for a tailored noise-cancelling experience or enable the touchless transparency mode to listen to your surroundings just by placing your hand close to the earcup
- **Extended playback times**
Up to 44 hours with Bluetooth® and ANC enabled, and 63 hours with ANC off
- **Google Assistant and Siri compatible**
Activate voice access to music, information and much more by simply pressing the multifunction button twice
- **Multipoint pairing**
Connect up to two audio sources and seamlessly switch between them without linking them again
- **Sound that sets you free**
Experience the latest Bluetooth® V5.1 streaming technology
- **High-fidelity acoustics**
Delivered through premium neodymium drivers
- **HD microphone**
Filters ambient noise for clearer hands-free calls
- **Full on-board controls**
For power and hybrid ANC features, including music and phone call management
- **Flexible listening**
Music can be enjoyed endlessly in wired mode with the detachable auxiliary one-sided cable
- **Crafted for comfort**
Ultralightweight design, featuring 90-degree swiveling ear cups with soft leatherette cushions

Technical specifications

MPN	KNH-750
Headphone	
Type	Active Noise Cancelling Headphones ⁽³⁾ with Bluetooth®-compatible Wireless Technology
Form factor	Over ear
ANC reduction	20 to 25dB
Driver unit	40mm
Magnet	Neodymium
Maximum power output	Two drivers of 30mW each
Frequency	20Hz-20kHz
Impedance	32Ω ± 15%
Sensitivity	113.5 ± 3dB (S.P.L. at 1 kHz)
Microphone	
Form factor	Built-in
Directivity	Omnidirectional
Impedance	2000Ω
Sensitivity	-33dB
Connectivity	
Connection type	Bluetooth® v5.1-compatible V5.1 and 3.5mm aux input port
Wireless RF frequency	2.402GHz-2.480GHz
Wireless range	Up to 33ft ⁽¹⁾
Bluetooth profiles	Qualified to Bluetooth® V5.1
Battery	
Type	Rechargeable lithium-ion, 800mAh, 3.7V
Charging time	Up to 4 hrs
Runtime	
BT on, ANC off	Up to 63 hrs with volume level at 50% ⁽²⁾ Up to 40 hrs with volume level at 100% ⁽²⁾
BT on, ANC on	Up to 44 hrs with volume level at 50% ⁽²⁾ Up to 30 hrs with volume level at 100% ⁽²⁾
Stand-by time	500 hrs
Charging input	USB C - USB type A charging cable: 5VDC/1A
Special features	
Active Noise Cancelling	Hybrid, with touchless transparency mode
Voice recognition	Siri and Google Assistant compatible
Mobile APP	Klip Xtreme, Google Play and Apple Store
Design	Foldable, with 90-degree swiveling ear cups
Carrying case	Premium hard case
Cord type	Single sided, removable
Additional information	
Unit material	Ultralightweight aluminum + PVC
Earcups	High-grade leatherette soft cushion
Product dimensions (LxWxH)	7.68 x 3.86 x 7.87 in
Product weight	0.73 lb
Cable length	5 ft
Warranty	One year

(1) Range estimate is based on an area free and clear of obstacles and interference, and within the line-of-sight between both Bluetooth® V5.1 devices.
(2) Estimated battery run time may vary depending on the volume settings and the type of audio.
(3) Active noise-cancelling capability reduces unwanted ambient noise
