PowerMag 10,000 Ultra

Portable power bank compatible with MagSafe® and wireless charging smartphones

Magnetic power that moves with you

Meet the **PowerMag Ultra 10,000** — your essential charging companion for an on-the-go lifestyle. With its strong magnetic hold and integrated fold-out stand, you can securely charge your smartphone while enjoying hands-free viewing. Designed to charge up to three devices simultaneously, featuring an advanced 8-mode protection system, LED display, and an ultra-slim, lightweight body, this power bank keeps your devices powered wherever you are. Plus, with MagSafe® and Qi® wireless compatibility, it ensures maximum versatility for your phone, smartwatch, or earbuds.

Highlights

- High-grade 10,000 mAh lithium-ion polymer battery: Long-lasting power for multiple full charge cycles.
- Strong Magnetic Grip: The PowerMag ring firmly snaps onto MagSafe®-compatible phones for stable, slip-free charging.
- Built-In Fold-Out Stand: Magnetic lock keeps your device upright—perfect for hands-free video calls or content viewing.
- 8-Mode Advanced Multiprotection: Safeguards against overcharge, overcurrent, overheating, short-circuits, and more to protect both your power bank and devices.
- High-Speed Charging Ports: One USB-C® input/output (20 W max) and one USB-A output (18 W max) for ultra-fast power delivery.
- Charge Up to 3 Devices Simultaneously: Power your smartphone, tablet, and wearable gadgets all at once without compromising speed.
- Smart LED Display: Real-time battery level meter and charging status indicator at a glance.
- Ultra-Portable & Lightweight: Slim, compact design that easily fits in any pocket, bag, or travel kit.
- Includes Stick-On Magnetic Ring: Enables Qi® wireless charging on non-magnetic devices—no adapters needed.

Technical Specifications

General	
MPN	KPB-650
Product Type	Magnetic Power Bank with LED display and stand
Battery capacity	10,000mAh/38.5Wh
Input	
Input USB-C® DC	5V/3A, 9V/2A
Charging time with USB-C® input	1.5 – 2 h
Output	
Number of charging outputs	2 (USB-A & USB-C®)
Wireless output	5W, 7.5W, 10W, 15W
USB-C® DC Output	20W max. 5V/3A, 9V/2.22A, 12V/1.67A
USB-A DC Output	18W max. 5V/3A, 9V/2A, 12V/1.5A, 10V/2.25A
Total Output when using all ports simultaneously	• USB-C®: 5W • USB-A: 5W • Wireless Output: 5W
Magsafe®	Compatible
Physical Appearance	
Power Switch	Included
Housing material	ABS
LED Indicators	LED Display for battery level and charging indicator
Product Dimensions	4.2 x 2.6 x 0.8 in
Product Weight	0.4 lb
USB-C® to USB-C® cable fast charging	11.8 in
Stand maximum opening angle	60°
Additional Information	
Power conversion	80%
Box content	Magnetic Power Bank, fast charging cable, Magnetic Ring
Standards/Certifications	CE/FCC/RoHS
Operating Temperature	32°F – 113°F
Storage Temperature	14°F – 140°F
Relative Humidity	≤75%
Warranty	1 year

1. Tablets and other small devices will charge only in wired mode via the USB-C® fast charge port.
2. Values based on a device with a 3,200mAh battery. Actual per port charging power and speed may vary depending on how many ports are in use simultaneously, as well as the type, size, battery capacity, and charging technology of each connected device. Wireless charging power for an iPhone® will be 7.5W maximum, and the battery level must be at least 50% to support fast charging.
