Descripción

The sound of thunder!

Transform your audio world with KlipXtreme's **ThunderZound**. Perfect for desktops, gaming stations, and small spaces, this stylish compact size sound bar, combined with a robust subwoofer, produces 120W of immersive high-quality sound. Seamlessly manage your audio experience using the provided remote and explore versatile connectivity options such as Bluetooth® technology, HDMI® ARC, Aux-3.5mm, USB and more. Your sound, your rules – control your space and give it the sound of thunder!

Características

- Connect it seamlessly with a Bluetooth®-compatible device for a cable-free setup and a wireless range of up to 33-ft¹.
- Make the most of its multiple connecting options: Bluetooth®-compatible wireless technology, HDMI® ARC, Aux-3.5mm, USB and more. It's a world of possibilities!
- Compact and sleek, this sound system will fit on small spaces, like a desktop, a workstation, or a gaming setup.
- Don't let its size fool you. This sound bar releases 120W of outstanding high-quality sound. If you want to use it for your TV, go ahead —The ThunderZound is up to the challenge!
- The 4.5" subwoofer produces the kind of bass sound that will take your music, movies, series, and videogames to a new level of immersion.
- The remote control gives you enough options of EQ modes to suit any kind of audiovisual content.
