BoomBar

2.1 channel soundbar system compatible with Bluetooth® technology

Description

Give your entertainment an exciting revamp with the **BoomBar** soundbar from KlipXtreme. This stylish 2.1 stereo system features four 2-inch, middle range speaker units that reproduce every audible detail from any source. And its 5.25-inch subwoofer provides the most vibrant bass sounds. This Bluetooth®-compatible speaker comes with HDMI® ARC and digital optical ports to connect a wide arrange of devices. Its practical remote control offers several EQ options to give your movie, series or music playlist the right kind of sound. Its price is unbelievable affordable for a speaker with so many perks and its powerful 160 watts of high-quality audio. The **BoomBar** is the perfect addition to your entertainment room or home theater!
