# BoomBar Air

2.1 channel soundbar system with wireless subwoofer and Bluetooth® technology

Wireless subwoofer

Compatible with Bluetooth® v5.0

## Clear, deep sound from any audio source for a heightened listening experience.

Give your entertainment an exciting revamp with the Boombar Air soundbar from Klip Xtreme. This stylish 2.1 stereo system features four 2-inch, full range speaker units that reproduce every audible detail from any source. Its 5.25-inch wireless subwoofer provides the most vibrant bass and you can place it anywhere in the room to get the sound and acoustics you are looking for.

This Bluetooth-compatible speaker comes with HDMI® ARC, digital optical and 3.5mm ports to connect to a wide array of devices. Its convenient remote control offers several EQ options to give your movie, series, or music playlist the right kind of sound. With a price unbelievably affordable for a speaker with so many perks and its powerful 200 watts of high-quality audio, the Boombar Air is the perfect addition to your entertainment room or home theater!

## Highlights

- A wireless subwoofer that can be placed anywhere in the room.
- 200 watts of total power output through four powerful 2-inch, mid-high-end drivers and a 5.25" subwoofer.
- HDMI® ARC port for state-of-the-art, high-definition sound.
- Digital optical and auxiliary 3.5 mm inputs with cables included.
- Bluetooth® v5.0 compatibility to stream music wirelessly from compatible devices within a range of up to 33 feet.<sup>1</sup>
- A LED display to showcase the selected mode.
- Mountable on a desktop or on a wall due to its versatile configuration.
- Remote control with EQ sound presets.
