Tune out the noise, tune in to life.

Say hello to Buds-Fi, your perfect sidekick for an always-on-the-go lifestyle! These TWS earbuds pack some serious tech that's as cool as it is convenient. Thanks to ENC microphones with up to 35dB noise reduction, you can take calls or crush virtual meetings without shouting over the chaos of your surroundings. With a total runtime of up to 17 hours, they'll keep you company from morning playlists to late-night podcasts.

Powerful 13mm drivers deliver crisp, punchy sound that'll have you hearing your favorite tracks in ways you didn't think possible. The Smart Touch controls on each bud make skipping tracks, adjusting volume, or answering calls a literal tap away. And with IPX3 water resistance, rain or sweat won't stop you from keeping the vibes going.

Built for seamless Bluetooth® 5.4 streaming, Buds-Fi offers ultimate freedom with a snug, comfy fit and a charging case that keeps your tunes ready to roll. Plug into Buds-Fi and take your music—and life—anywhere! Ready to upgrade your sound game?

Highlights

- ENC (Environmental Noise Cancellation) microphones with up to 35dB NRR to effectively pick up and filter out unwanted background noise, ensuring crisp voice transmission during important calls, conferencing or virtual meetings even in bustling environments.
- Up to 17 h of combined total runtime¹ (5.5 h of earbud runtime, multiplied by three full charge cycles) to enjoy a whole day of music playback and calls.
- Powerful 13 mm drivers with a wide range of low, mid and high frequencies that provide high-quality sound with more than enough depth, brilliance and clarity to perceive even the subtlest flourishes in your favorite songs.
- Multifunction control button with Smart Touch technology on each earbud to manage all key functions with simple taps.
- Compatible with Google and Siri voice assistants for hands-free music playback and call management.
- IPX3 waterproof rating to protect your earphones against rain, splashes and sweat, so you can listen to music while you work out or keep moving even in the rain with complete confidence.
- Charging case with capacity for up to three 3-hour full charge cycles.
- TWS earbuds compatible with last generation Bluetooth® v5.4 for seamless wireless streaming of voice and music up to 33 ft away.²
- Silicone ear tips for a secure, comfortable fit that also helps in blocking out noise.

1. Up to 5.5 hours of earbud battery life per charging cycle (3), for an estimated total of 17 hours of combined battery life at 50% volume. Actual runtime may vary depending on usage habits (calls and music playback), volume level, and file type.

2. Wireless range is calculated in an area free of obstacles and interference, with a clear line of sight between devices.

Technical specifications

General	
Type	TWS earbuds with ENC microphone
Form factor:	In-ear
Special features:	• Built-in microphone with Environmental Noise Cancellation (ENC) technology (35dB NNR) • Smart Touch • Compatible with Siri and Google voice assistants • IPX4 water resistance rating • Charging case with LED status indicator • Music and Game modes
Earbuds speakers	
Driver size	13 mm
Impedance	32 $\Omega \pm 15\%$
Rated power	3mW
RMS power output	5mW
Frequency response	20~10 kHz Output S.P.L— 10dB
Sensitivity	118 ± 1.5 dB
THD	Less Than 2.5% at 1mW 50-2kHz rated power input
Volume control function	Included
Microphone	
Number of mic units	4
Form factor	Built-in (MIC2718)
Directivity	Omnidirectional
Frequency response	100Hz~10kHz
Impedance	200R
Sensitivity	-38db
Connectivity	
Connection type	Wireless compatible with Bluetooth® v5.4
Bluetooth decoding mode	SBC/AAC
Supported profiles	A2DP/AVDTP/AVRCP/RFCOMM/HFP/HSP /SPP/HID
Wireless RF frequency	2402MHz-2480MHz
Wireless range ²	33 ft
Battery	
Battery type (material)	Lithium battery
Single earbud battery	30mAh
Charging case battery	200mAh
Charging method	USB-C® charging port (charging case)
Wired charging rate	5V/1A
Charging case + earbuds total charging time	2 h
Earbud only battery charging time	1.5 h
Charging case only battery charging time	1.5 h
Charging case cycles before battery runs out	3 cycles
Total runtime at 50% volume (one cycle)	Up to 5.5 h ¹
Total runtime at 50% volume (including all cycles)	Up to 17 h ¹
Total runtime at 100% volume (one cycle)	Up to 4.5 h ¹
Total runtime at 100% volume (including all cycles)	Up to 13.5 h ¹
Battery standby time	300 h
