Block the noise, feel the beat

Hey there melomaniac! Say goodbye to distractions and hello to pure sound with Klip Xtreme's EdgeBuds. Whether you're diving into your favorite playlist or catching up on calls, these earbuds bring you closer to what matters. Tune out the chaos with ANC mode, or switch to Transparency mode when you want to stay connected to the world around you—without ever taking them off.

With crisp, studio-like sound from powerful 13 mm drivers is easy to become hooked on music, for you'll hear every beat, lyric, and riff like never before. Need to chat or hop on a meeting? The ENC microphone ensures your voice cuts through the noise, loud and clear.

Comfortable silicone tips, intuitive touch controls, and a water-resistant design keep you moving no matter the day's rhythm. Plus, with up to 22 hours¹ of total runtime, these earbuds are ready to keep up with your jam-packed schedule.

EdgeBuds isn't just earbuds; it's your personal sound experience. Unplug from the noise, plug into your vibe.

Highlights

- Active Noise Cancellation (ANC) with 25dB NRR (noise reduction rating) for above-standard audio quality and hearing protection.
- Two noise control modes: "ANC on" mode to block out unwanted external noise and help you concentrate, and "Transparency" mode to stay alert to what's happening around you while listening to music or answering a call, without having to take off your earbuds.
- Environmental Noise Cancellation (ENC) microphone with up to 35dB NRR to effectively pick up and filter out unwanted background noise, ensuring crisp voice transmission during important calls, conferencing or virtual meetings even in bustling environments.
- Up to 22 h of combined total runtime¹ (5.5 h of earbud runtime², multiplied by four full recharge cycles) to enjoy a whole day of music playback and calls.
- Powerful 13 mm drivers with a wide range of low, mid and high frequencies that provide high-quality sound with more than enough depth, brilliance and clarity to perceive even the subtlest flourishes in your favorite songs.
- Multifunction control button with Smart Touch technology on each earbud to manage all key functions with a simple tap.
- Compatible with Google and Siri voice assistants for hands-free music playback and call management.
- IPX4 waterproof rating, so you can listen to music while you work out or keep moving even in the rain with complete confidence.
- Charging case with capacity for up to 4 full charge cycles, with an LED screen that displays the real-time battery level and charging status of each earbud.
- TWS earbuds compatible with last generation Bluetooth® v5.4 for seamless wireless streaming of voice and music up to 33 ft away.³
- Silicone ear tips for a secure, comfortable fit that also helps in blocking out noise.

Technical specifications

General		KTE-755BK KTE-755WH KTE-755GR
Type		TWS earbuds with ANC & ENC
Form factor		TWS In-ear earphone
Chipset		AC7003D4
Special features		
Special characteristics and functions		• Active Noise Cancellation (ANC) and Transparency mode • Built-in microphone with Environmental Noise Cancellation (ENC) technology • Smart Touch multifunction button • Compatible with Siri and Google voice assistants • Charging case with LED screen indicating battery level • LED status indicators on each earbud • IPX4 water resistance rating
Speaker		
Driver size		13mm
Impedance		32Ω
Rated power		3mW
Maximum power		5mW
Frequency response		20Hz-20kHz
Sensitivity		118±1.5dB
THD		≤2.5%
Volume control		Supported
Microphone		
Directivity		Omnidirectional
Frequency response		50Hz-10kHz
Impedance		2.2K Ω
Sensitivity		-42dB +-3dB
Connectivity		
Connection type		Bluetooth®-compatible wireless
BT version		V5.4
BT decoding mode		Supports MP2, MP3, WMA, APE, FLAC, AAC, MP4, M4A, WAV, AIF, AIFC audio decoding
Profiles supported		Supports a2dp\avctp\avdtp\avrcp\hfp\spp\smp\att\gap\ gatt\rfcomm\sdp\l2cap
Wireless RF frequency		2.4GHz-2.480GHz
Wireless range ³		33 ft
Battery		
Battery type (material)		Lithium battery
Charging case battery capacity		300mAh
Earbuds battery capacity		35mAh
Charging connection type		USB-C®
Wired charging rate		5V/0.5A
Charging case + earbuds total charging time		3 h
Earbud only battery charging time		1.5 h
Charging case only battery charging time		1.5 h
# of charging case cycles before battery runs out		4 cycles
Battery runtime per cycle at 50% volume (with ANC on)		Up to 5 h ²
Battery runtime per cycle at 50% volume (with ANC off):		Up to 5.5 h ²
Earbuds total run time at 50% (including cycles) (with ANC off)		22 h ¹
Earphones Total run time at 50% (including cycles) (with ANC on)		20 h
Earbuds total runtime at 100% (including cycles)		18 h
