

Tilt TV mount

for flat and curved screens

Quick release-and-lock mechanism with spring latch and strap

Tilt TV mount for flat and curved screens

Maximize your space and elevate your viewing experience with this sleek, high-performance TV mount. Designed for flat and curved TVs from 42" to 100", this low-profile tilt mount lets you adjust your screen to the optimal viewing angle—perfect for home theaters and media rooms.

Its sturdy metal construction features open-architecture design for improved ventilation, while the easy-grip tilt system ensures smooth angle adjustment. The built-in click-in spring locking mechanism securely snaps the TV arms into place for added safety.

Compatible with VESA® mounting patterns and easy to install, this mount gets you set up and enjoying your favorite movies and shows in minutes.

Highlights
