Full motion TV mount

for flat and curved screens

Full-motion wall mount for flat and curved screens

Upgrade your viewing experience with this full-motion wall mount, designed for flat and curved screens from 42" to 100". Its dual-arm design provides smooth tilt and swivel adjustments, allowing you to find the perfect angle from anywhere in the room. Built from heavy-duty steel, it supports TVs up to 165 lb. and saves valuable space without sacrificing stability. Whether you're watching movies, gaming, or streaming your favorite shows—this mount delivers the flexibility you need for truly immersive entertainment.

Highlights

- Adjustable to 42-100 inches flat and curved screen
- Features a load capacity of up to 165 lb
- Whether you watch TV from above or below, you can adjust its tilt angle (-5°~+15°) for added convenience
- To top it off, you may adjust the mount to watch TV from either side thanks to its swivel angle (-60°~+60°)
- VESA® compatibility: 200x200, 200x300, 200x400, 200x600, 300x200, 400x200, 300x300, 300x400, 300x600, 400x300, 600x300, 400x400, 400x600, 600x400, 600x600, 600x800, 800x600 mm
- Integrated bubble level system
- Certifications: RoHS
