Product overview

The new **Style** Headphones from Klip Xtreme are nothing less than amazing: they look as great as they sound. And this is just the beginning. They boast a sleek feather-light design and booming true sound delivered by the 40mm wide range frequency drivers. Integrated controls allow you to adjust the volume, select tracks and even pause music playback to pick up incoming phone calls. By adopting the latest Bluetooth® V5.0 technology, they stream audio wirelessly through a reliable connection up to 66ft away from the audio source. And paired with the brand's signature unique style, these headphones will soon be the one everyone is talking about!

Highlights

- The battery provides extended playback times of up to 40 hours with 500 hours of standby time³ on a single charge
- Experience ultimate freedom with the latest streaming technology compatible with Bluetooth® V5.0: that is higher speeds, expanded range and capacity compared to older devices equipped with this function¹
- Compatible with Google and Siri voice assistant, it supports the voice recognition feature for true hands-free control and access to your linked device at the touch of a button
- Fine-tuned acoustics delivered through high-performance 40mm drivers
- Flexible listening: crisp highs, mids and dynamic bass can be equally enjoyed in wired or wireless modes
- Seamless, hands-free management of your entertainment and calls
- Ultralightweight and adjustable headband, featuring hinged earcups, designed for all day comfort
- Soft leatherette exterior enhances its stylish and sleek design
- Foldable for easy portability in its attractive hard protective case
